

Hello,

Please kindly unblock my account. I have to deploy a lot of websites. Here is the document for reference . I am from Bhutan and I don't have a mastercard, so I have requested my sister who lives in Australia to use her master card for billing. Please activate my account.

- The billing address and phone number of the payment method on the AWS account
Billing phone number:0412461878
Address :98 tyler street tuart hill
Method: master card
- Business name and phone number (if applicable)
Business name : optech
Personal phone Number : 97517732628
- The URL for your website (if applicable)
Not yet deploy
- A contact phone number where you can be reached for additional information
97517732628
- Your reasons for using Amazon Web Services
